

## Different Types of Sofas

SofaClassics offer a stunning range of handmade furniture; all manufactured in England to customer specification.

Quality, style and freedom - that's the SofaClassics motto. The company offers a wide selection of chairs, chaise longues, stools and sofas and customers have the freedom to choose any design they like, in absolutely any fabric and size they desire. A wide choice of both traditional and contemporary styles is available. There are a good range of their standard designs. All can be changed to each customer's specific size and design requirements.

The designs include Chesterfields, corner pieces and leather or fabric pieces; of which there are well over 2000 different fabrics to choose from and free samples can be sent on request.

Available materials include eco-friendly upholstery fabrics and leathers. Customers also have the option to use their own fabric, as well as choosing from a large amount of legs options including wooden, painted or metal/chrome legs.

If none of the designs in the standard range suits your requirements, then customers can contact the SofaClassics incredible team with ideas and sketches to help create a design from scratch. This is a great chance to create your dream unique furniture. At SofaClassics.com, you will wide ranges of sofas like Corner Sofas, Tailor made Sofas, Bespoke Sofas, London Sofas and many more. All these sofas can be purchased at competitive price and the quality of the sofas are excellent.

The company has years of experience and respecting the traditions of English furniture. You will also get classic style sofas which are much more than simple pieces of furniture. By purchasing sofas from SofaClassics.com, you will not feel disappoint even you will enjoy the freedom provided by bespoke services. So, whenever you decide to purchase sofas then make sure that you purchase it from SofaClassics.com where you get huge varieties as well as best quality.

SofaClassics specialize in manufacturing bespoke furniture for the living room; individually handcrafted in England. The company pride themselves on their tailor made service which offers affordable quality and everlasting style.
